- Numbers Key: 0 ~ 9. To select the track number to be played.

- USB/SD: Press to switch between a USB and SD card (this function is for the remote only, and is NOT ON THE FRONT PANEL OF THE HR74). The HR74 will automaticaly recognize if a SD or USB thumb drive is connected to the unit.

- PROG: To program tracks in a given folder to play in the "programed order". Only the tracks stored in the same folder can be programed. If the programed tracks exceed the total tracks in the folder, LCD will show "Error". (this function is for the remote only, and is NOT ON THE FRONT PANEL OF THE HR74)
- Press PROG key first, and then select the track by pressing number keys. Start over the above process for storing more tracks. Up to 20 tracks can be stored.
- After finishing the program memory, press play to start playing programmed tracks. Use prev/next buttons to skip over programmed tracks.
- Press stop twice, to cancel all the programmed tracks.

All other remote functions work the same as the front panel buttons.

- Battery installation of remove control:
   1. To open up the battery cover (on the back side of the remote), Press down the RELEASE cap, and slide it from the left to the right, then pull the battery tray out.
2. Place a new battery (battery type: CR2025 3V, w / it's positive upward).

The included Infrared Remote provides a way to control the HR74 at a distance from the unit. It must be located in the "line-of-sight".

ROLLS

HR74 MP3 card reader

Features:

- Playing format : MP3 and WMA
- Accepts from 128MB to 16G USB or SD
- LCD display 3 digits, from 001 to 999 tracks.

Specs:
Output level: At 1kHz 1V +/-2db
Output level dif. between channels: Less than 2 db
Frequency response: 1KHz=0db
                          20Hz=0db +/- 2db
                          100Hz=0db +/- 2db
                          10KHz=0db +/- 2db
                          20KHz=0db +/- 2db
Separation degree: More than 60db
S/N Ratio: More than 60db
THD: Less than 0.3%
Supply voltage: Rolls PS27s - 15VDC
Power consumption: Within 2.5W

Size: 6.75" x 1.6" x 4"
Weight:1.3 lbs.

Quick Start Guide
